

Distribution List

The Vacation Coupons Book is printed once annually. Throughout the year, 130,000 copies are distributed at over 200 hotels, motels, rental cottages, real estate agencies, welcome centers, tourist attractions, restaurants, golf courses and retail outlets from Topsail Island to Southport and all areas in between. All distribution points are personally managed by the publisher to ensure quality of placement.

See our distribution agreement book for our continually expanding list of locations.
